

TECHNICAL SPECIFICATION

Expanding block (connectors) for DIN-rail

Description:

They are used for cable power supplies branches from one main conductor to several smaller conductors. Designed for DIN - rail mounting. Presented in different colours according to their usage (blue - null conductor, grey - phase conductor, yellow - green - earthing conductor). Easy to mount, reliable way of connection.

Variants:

Type	Main Terminal		Secondary Terminal		Colour	Catalogue number
	Current (A)	Section (mm ²)	Number of terminals	Section (mm ²)		
FVK	125	35	4	10	blue	3193541
FVK	125	35	4	10	grey	3193542
FVK	125	35	4	10	yellow-green	3193543
FVK	150	50	4	16	blue	3195041
FVK	150	50	4	16	grey	3195042
FVK	150	50	4	16	yellow-green	3195043
FVK	150	50	6	10	blue	3195061
FVK	150	50	6	10	grey	3196052
FVK	150	50	6	10	yellow-green	3195063
FVK	192	70	6	2x25+4x10	blue	3197061
FVK	192	70	6	2x25+4x10	grey	3197062

Type	Main Terminal	Secondary Terminal	Colour	Catalogue number	Type	Main Terminal
FVK	192	70	8	10	blue	3197081
FVK	192	70	8	10	grey	3197082
FVK	192	70	8	10	yellow-green	3197083
